“...But with God all things are possible” (Matt. 19:26)

Dear partner

Peace be unto you.

When the Lord initially tucked our hearts in relation to mission's way back in 2006, we counted the years as to when we would be finally leaving the shores of South Africa. Years have rolled on and have now become just months until we bid family, church and friends goodbye. All that has taken place thus far has prepared us for our mission to Albania

“... *Ebenezer, saying, Thus far has the Lord helped us.*”, (1 Sam. 7:12)

We believe we came to be where we are because of your partnership, Whether it be in prayer, a call, a visit, SMS, email, BB messages, Whatsapp, or finances, we thank you sincerely. Your partnership with us is immensely valued and appreciated. We now understand, in some way, how the apostle Paul felt when he thanked the Lord in his prayer, for the partnership between him and the church at Philippi (Phil. 1:5).

We praise God for the open doors He's giving us to share the vision of Albania. Through these opportunities, the Partnership is growing. We praise God for the support of our local church and the leadership. God could not have called Carol and I to serve under a finer leadership team and people. We are trusting God to leave the shores of South Africa between July and August 2012. On route to Albania, the Regional Director encouraged us to go via Wec (Bulstrode, UK) to further acquaint ourselves with Wec International. Taking all things into account, a busy couple of months lies ahead for us.

We are blessed to know that we are in your prayers at this juncture in our lives.

Yours in Christ,

Stewart and Carol Sampson

Prayer Request

- Please pray for success as the Wec Team search out suitable accommodation for us.
- That the Lord will continue to prepare our hearts for all that lies ahead in Albania
- That all our required documents will come through speedily.

Praise Items

- God's sustaining grace in our lives.
- The great work of the Albanian support team on our behalf.
- For all the churches that are partnering with us
