

## Ministry News and Updates from Albania. (March-April 2014)

**Dear partner in the Gospel.**

We sincerely thank you for your prayers and financial support. May the Lord continue to bless and prosper your church, and your family.

Time is moving fast, it's incredible to think that this coming October we will be in Albania for two years. Praise God for His faithfulness. We are still very much learning language, and by God's grace are making progress each new day. We are now at a stage where we understand more than what we can speak. We thank you for your prayers; please continue praying for us, especially with the language learning, it always remains a challenge.

We are assisting our local pastor in his church. The church was planted four years ago. We have moved the venue of the church to a new area; this move is really a blessing from God. Most

Sunday mornings we have new visitors, a few have shown interest in the Christian faith. One of such, Artan (in picture) has made a commitment and we are now in the process of discipling him. Artan is from a Muslim background.

Pictures below are contacts we have made together with the pastor and his wife, and they are now regular visitors to the church.

**Please pray for the salvation of these regular visitors.**

**Young "Roma" family. The wife visits the church regularly. Let's pray for their salvation.**

← This is Fatmir, a young 'Roma' man. His an orphan, and is begging for a living. He is being ministered to at present. Please pray for his salvation. We long to see him getting saved. Carol ⇒ with two of the pastor's children.

We are thrilled by what we see the Lord is doing in the church and in the community. Whilst we are not able to do full scale ministry as yet, the little involvement is bringing much joy to our hearts, and it is indeed very helpful in furthering our language skills. We are also very much aware of your partnership, without it, we will struggle. Thank you very much.

**A prayer request from us is that you please stand with us in believing prayer; we are trusting in the Lord for a motor vehicle. Your prayers are appreciated.**

Yours

In service of the King.
