

Email from Stewart Sampson received on 23 June 2015.

Dear friends,

Greetings from a chilly and rainy Cape Town.

Grace and Peace unto you in our Lord Jesus Christ.

Through God's grace we are doing well. much of our time are being spend with families, friends, and visiting our supporting churches. It is very encouraging to be welcomed back, and even more so to hear of how God's people remembered us in prayer. We are humbled by this. There is also great excitement as we share about our future ministry on our return to Albania.

We also celebrated Stewart's mom 78<sup>th</sup> birthday. Was good for her to celebrate her birthday with her 4<sup>th</sup> generation siblings. We also celebrated Carol's 55<sup>th</sup> birthday on June 21<sup>st</sup>. we had all her sisters and brothers and my family members as well, at our house. Was noisy, but great to have everybody around.

Carol and I also visited Lizelle, who is now serving with Ywam (Youth With a Mission). Was a bit sad for us as we will not see her again. By the time she gets back from Tanzania, we will be back in Albania. Do remember her in your prayers. Thank you. Carol and I are trusting the Lord for a 2 week break in August, just the 2 of us. We need this.

Thank you very much for all your love and prayers. It was wonderfully good to see you during my last visit. They joy experience was beyond measure. Praying together with you was awesome and memorable. The intermit sharing sometimes even shedding a tear, are precious memories. God will come through for us. Let us not falter in our trust in God's promises. He is our faithful God.

Every blessing to you,  
Stewart and Carol,  
South Africa, Cape Town
