Dear friend

Updates that are shared in this newsletter, is a direct result of your partnership with us, in prayer or finances. **Philippians 1: 3-5 "I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now....."**

DISCIPLESHIP TRAINING

Over the last months we engaged the new plant church in dynamic discipleship training. We did this in the most practical way as many cannot read and write. During testimony time we were so encouraged by the sharing from the believers. Their faith was strengthened as the truth of God's word was taught.

CHILDREN'S MINISTRY

We placed an extremely high emphasis on children ministry. Reaching children with the gospel, especially in the context we are working in, is paramount. We have just completed our annual summer three days, "Kids Club". Over this period we ministered to about 75-80 children. The gospel story told through various means was dynamic and clear.

BEACH OUTREACH

We are gearing up for our next summer event; our beach outreach. Our goal is to take 30-40 children and parents on this trip. (This will take place end of July / beginning of August). We had one last year and it was great fun, especially for the children. We are praying for a sponsor for each child. We have secured some sponsors, but

in need of so much more. We humbly ask you to pray about sponsoring a child. If you need more info on this, please email me <stewartsampson15@gmail.com>.
